

A gallery of MEMES

My second post in this format and already we partake in petty, trivial meme dumps? Yes, my friend. And we're getting pancakes for dinner, too.

Get a set of dice for your OCD friends...

Die of chicken pox? Nah. Chicken pox die? What are these stupid questions?

I really can't find a source for this one. I'll say a Holy Mary for penitence.

IT HURTS
LIKE HELL
AND THEN
ONE DAY

This was my therapy experience, in a nutshell.

Don't despair, friend in recovery. I see you, and I see the progress even if you don't.

There's something oddly intimate about coffee... Someone making it for you, bringing it to bed, or unexpectedly showing up with a cup. It's knowing your exact order, how you drink it, and how you like it prepared. Coffee isn't just a drink, it's a small act of care, a love language in its own right.

If you make coffee for me,
I will go to jail for you.
I will hide the bodies.
I might even live for you.
